The eyes of Roscoe are upon you,
All the livelong day.
We will ever stand beside you
In that good ole Roscoe way.
In the darkest hours or brightest,
Faithful we will be.
Faithful to the white and purple,
Through eternity.

There's got to be a morning after,
If we can hold on through the night,
We have a chance to find the sunshine,
Let's keep on looking for the light,
Oh, can't you see the morning after,
It's waiting right outside the storm,
Why don't we cross the bridge together,
And find a place that's safe and warm,
It's not too late, we should be giving,
Only with love can we climb,
It's not too late; while we're living,
Let's put our hands out in time,
There's got to be a morning after,
We're moving closer to the shore,
I know we'll be there by tomorrow,
And we'll escape the darkness,
We won't be searching anymore,

THERE'S GOT TO BE A MORNING AFTER.

You do your thing and

I am not in this world to live

and you are not in this world
to live up to mine.
You are you and I am I

It's beautiful.

It has been a pleasure to work with the "Big Purple Band" this school year. All phases of the band program have performed exceedingly well, and much of this is due to the pride the students take in themselves, the band, and the town of Roscoe. Bluebonnet Girl's State may be a mythical state, but it is very real in the hearts of its citizens. It involves so much more than merely teaching girls the basic principles of local, county, and state governments. It is meeting new friends that you can actually laugh and cry with. It is re-discovering those feelings of loyality and patriotism that run deep within all of us. It is an unforgettable experience, full of lasting memories.

We both feel that this is the greatest honor that we could ever receive in Roscoe High School. We sincerely thank all the teachers, and especially the American Legion Auxiliary, for giving us the opportunity to participate in such a worthwhile program.

Boy's State was one of the greatest events of our high school days. It was an unforgettable experience, one which will probably be one of the most beneficial times of our youth. Being unfamiliar with the many strange happenings of our day, Boy's State familiarized us with the operations of our state government. It was most rèwarding to all involved. We appreciate the opportunity of having the chance to be a part of one of the greatest programs available to high school students.

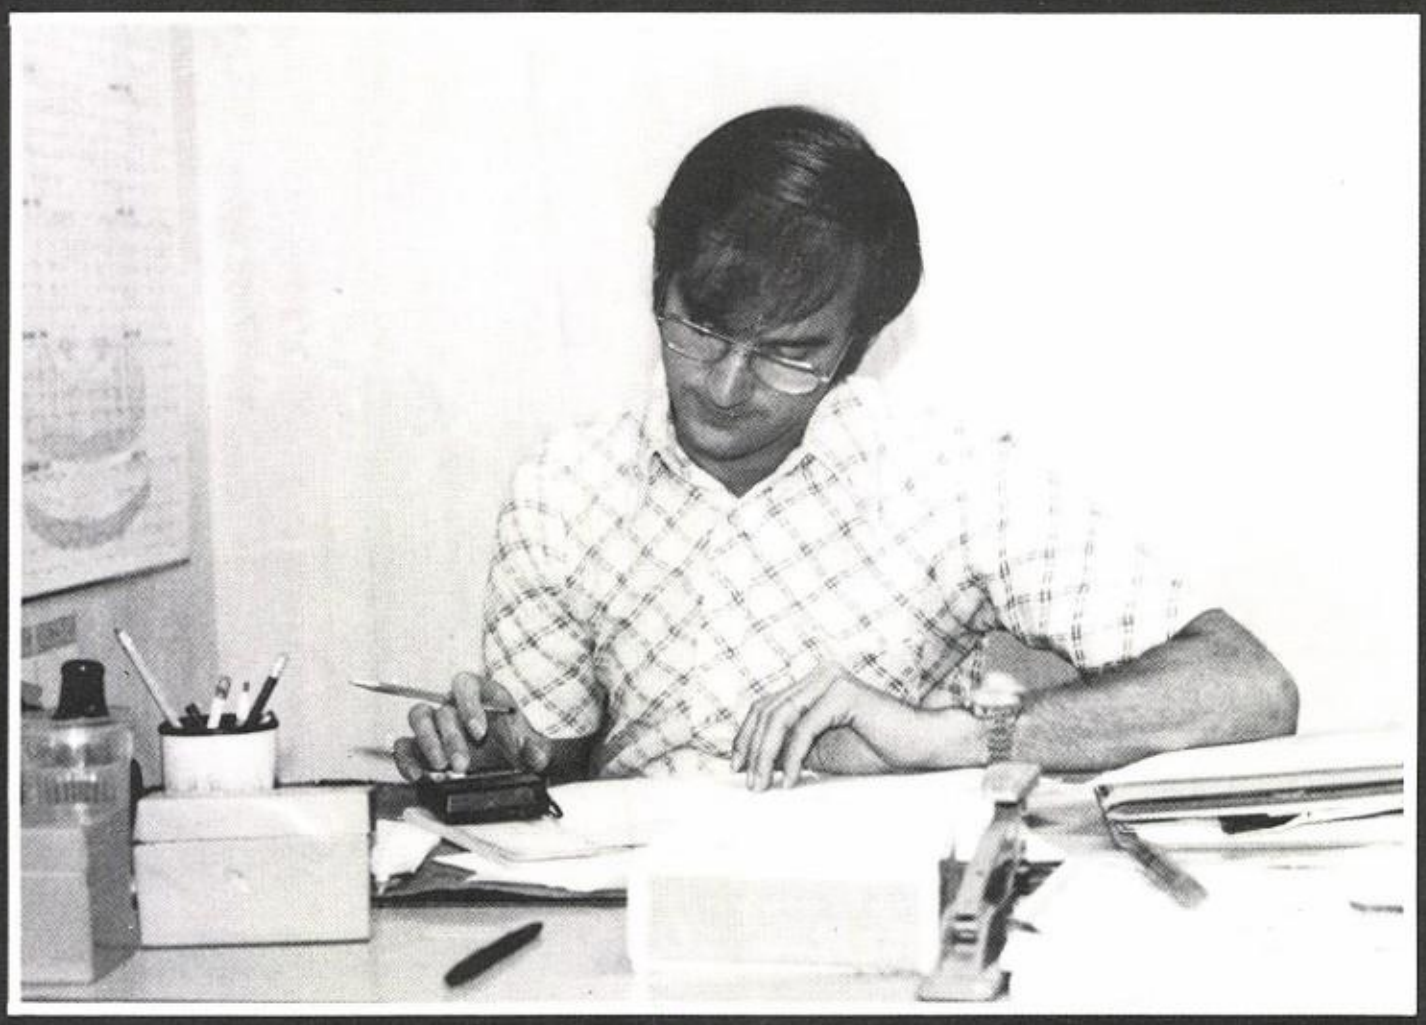
ADMINISTRATION



The Administrators

To the Seniors and their Sponsors in 1978-79, the Student Body, Teachers, Board of Trustees, and the entire Community.

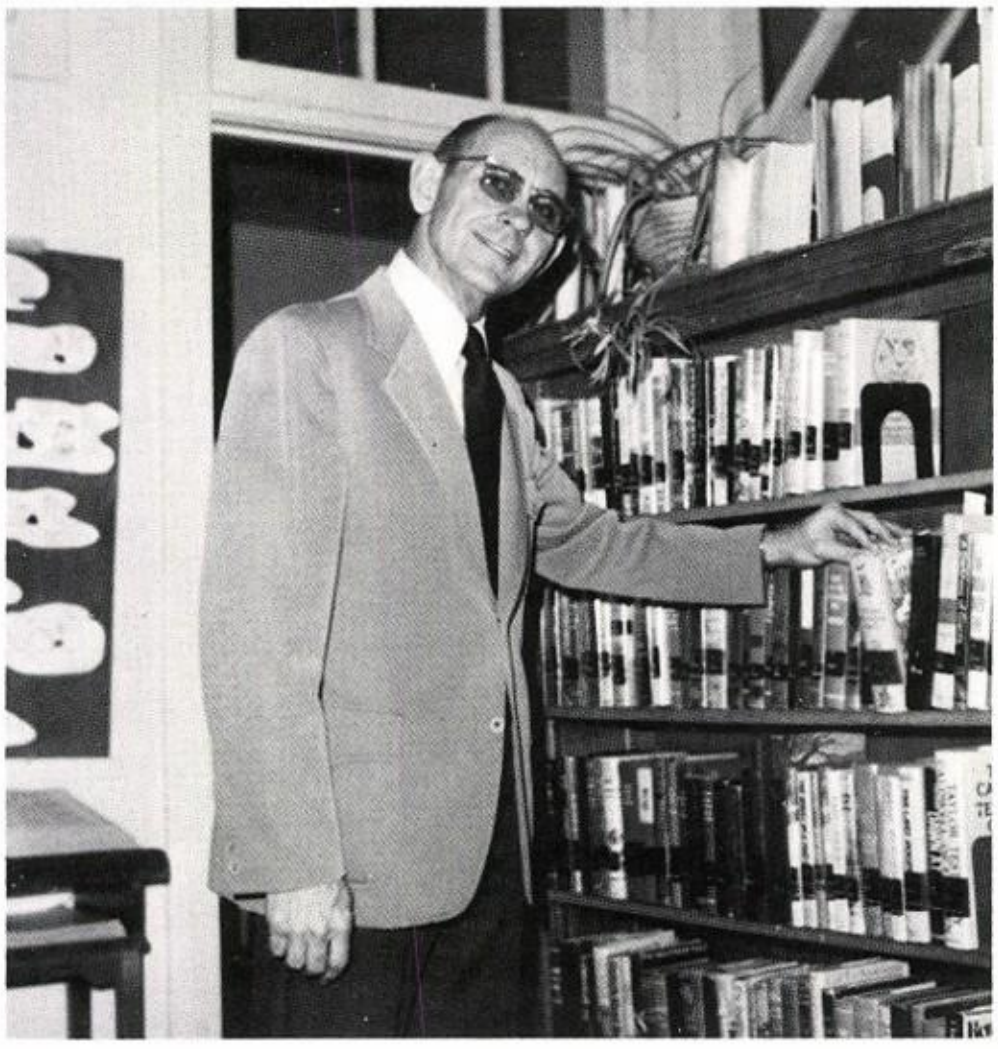
We are living in a changing world. We must be able to accept new ideas and new practices. If people never accept new ideas and new practices, there will be no chance for progress. It is my desire that the Seniors of 1978-79 will take their place in this changing world of ours and be successful in whatever endeavors they choose. There are two things that have not changed, honesty and dependability. I would urge you to be honest and be the kind of person that can be depended upon at all times.

Will Rogers said, "I never met a man I didn't like." Learn to like people. Be honest. Carry your share of the load. Be prepared, do your job well, and success will be your reward.

Sincerely,
S. V. Box,
Superintendent of Schools

School Board — (seated) Mr. Herbert Williams, Mr. Don Richburg, Mr. R. B. Pieper and Mr. Doyle Edmiston, (standing) Mr. Bob Joy, Mr. Jerland Freeman, and Mr. Bob Lucas.

Principals Shape the Future



The work of planning, editing, and publishing an annual is an endless process. Mrs. Beth May, sponsor, and members of the staff have spent many hours completing this project. I take this opportunity to commend them for their untiring work and compliment them in this unique 1978-79 yearbook.

Roscoe School is fortunate to have excellent teachers, outstanding students and a fine community that supports our every activity. This enables us to work together in preparing students to be useful members of a changing society. It is an honor to be a small part of this school and community.

My association with you has been most rewarding. I am grateful for this school year filled with many achievements. This yearbook will be a formal record of our activities and fondest memories.

Sincerely,
V. H. Smith
High School Principal

To the Class of 1979

Congratulations, Seniors:

The years which you have spent in the Roscoe Schools have presented many challenges in preparing you for this most significant time in your life. Your graduation has been your main objective. As you leave for greater achievements and accomplishments, may you be inspired to strive for goals which will be rewarding and meaningful to you and to those who shall follow after you.

May your association here be long remembered and cherished.

With sincere best wishes,
Rudy Raughton,

The eyes of Roscoe are upon you,
All the livelong day.
We will ever stand beside you
In that good ole Roscoe way.
In the darkest hours or brightest,
Faithful we will be.
Faithful to the white and purple,
Through eternity.
